

HERRMANN THINKS FEDERAL LEAGUE NEVER WILL START

Intimates That Bomb Will Be
Exploded This Week to
Wreck Last Hopes.

(Special to The Times-Dispatch.)
New York, February 8.—Beginning with the International League's spring meeting at the Hotel Victoria tomorrow there will be some hot time in organized baseball circles this week. On Tuesday at the Waldorf the National League goes into session after a meeting of the board of directors at 1 o'clock. On Wednesday the American League will sit in conference at the Baltimore. On Thursday there will be a joint meeting of the National, American and International Leagues. With a majority of club owners from the American Association and the great majority of officials of the American Association.

Chairman August Herrmann, of the National Commission, reached town today. He would not say his hand. He declared very emphatically, however, that in his estimation the Federal League would never start. He intimated that a bomb would be exploded this week to wreck the last hope of the Federals.

"I think it will be in Brooklyn at the start of the season," said Herrmann. "Ebbetts knew what he was talking about when he made the prediction. Pittsburgh Federalists have been able to raise practically no money from the sale of stock. Reports from Buffalo and Toronto are most discouraging to our cause. The only progressive towns in the Federal circuit are Chicago, St. Louis and Baltimore. Chicago's park in the North Side is an ideal location, and is bound to draw patronage, as it is eight miles from the White Sox and five from the Cubs in a portion of the city which is a big city in itself. St. Louis has a better location than either the Cardinals or Browns, but is tied up by a city ordinance that prevents the erection of wooden stands. They have not sufficient capital in the mound city to invest in a steel and concrete stadium. The name is true in Baltimore. Over there an effort is being made to amend a city ordinance so that 'concrete and wood' may be substituted for 'concrete and iron'."

Herrmann declared that the accounts from Federal League sources had all been exaggerated.

"Up to two weeks ago Wegman had paid out only \$25,000 in advance money," said he. "He didn't give a nickel advance or bonus. Joe holds a check for \$10,000 payable on January 1, 1915. The difference in his \$35,000 salary is to be paid in semi-monthly payments throughout each playing season. I know what I am talking about, for I have seen the evidence."
